## **I. Introduction**

On September 29, 2014, the Postal Service filed notice that it has agreed to an Amendment to the existing Priority Mail Contract 33 negotiated service agreement approved in this docket.<sup>1</sup> In support of its Notice, the Postal Service includes a redacted copy of the Amendment. It also provides a certification of compliance with 39 U.S.C. 3633(a), as required by 39 CFR 3015.5.

The Postal Service also filed the unredacted Amendment and supporting financial information under seal. The Postal Service seeks to incorporate by reference the Application for Non-Public Treatment originally filed in this docket for the protection of information that it has filed under seal. Notice at 1.

The Amendment changes contract prices.

The Postal Service intends for the Amendment to become effective one business day after the date that the Commission completes its review of the Notice. *Id.* The Postal Service asserts that the Amendment should not impair the ability of competitive products on the whole to cover an appropriate share of institutional costs.
